

Sun Boats Exhibitions EGYPT 2021 The activities of the first technical forum for tourism and artistic promotion, with the participation of representatives from 60 countries around the world, will be launched next November from the banks of the Nile River in the Technical Forum Governorate. The New Sun Boats exhibition group announced that the idea of the forum came after President Abdel Fattah El-Sisi issued an initiative to revive plastic arts and pay attention to the Egyptian artist due to his position as a plastic artist. Through the ages, within the framework of the state's interest in art as one of the most important soft powers and an ambassador for Egypt abroad.

The show will be online first, and the works of artists from all over the world will be displayed on giant screens on the Nile Corniche in the governorates of Egypt overlooking the Nile River, and starting in Minya Governorate, the city of Queen Nefertiti. and King Akhenaten. Preparations are also underway to hold a symposium that includes 20 countries and artists, workshops and a group exhibition inside the tourist boats. Ismail Abu Bakr, a TV director, composer and owner of the idea of the Sun Boat Shows, says that it is a personal and interactive initiative with my artist friends inside and outside Egypt, with the aim of bringing back the city of Nefertiti in Minya. The tourist map aims to activate the visual awareness of the recipients of the fine arts.
